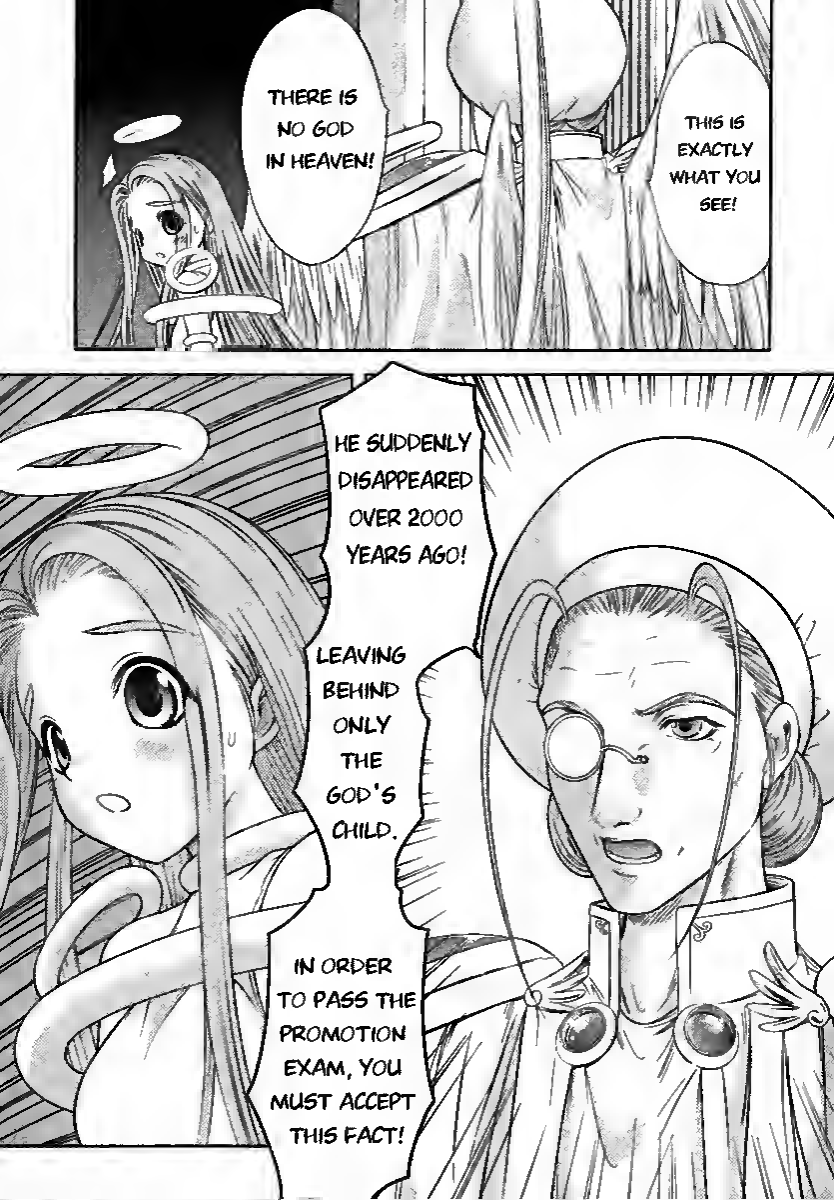
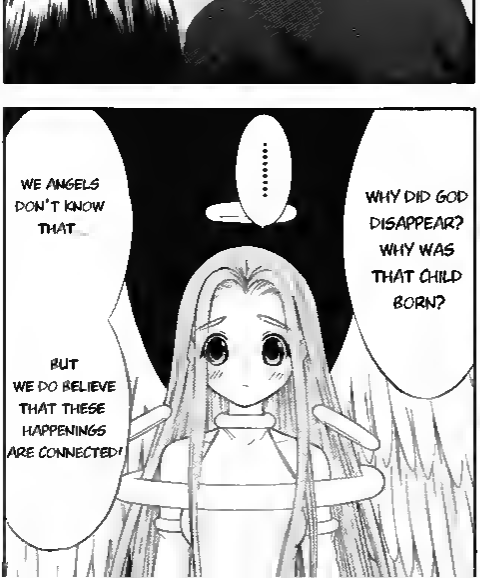
WHAT...
WHAT IS THIS?



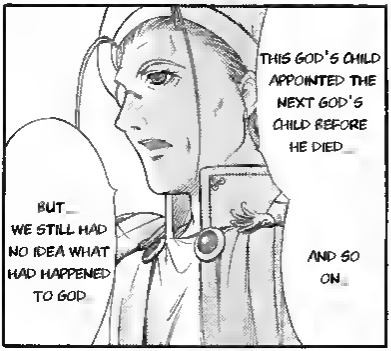
THERE IS NO GOD IN HEAVEN!
THIS IS EXACTLY WHAT YOU SEE!
HE SUDDENLY DISAPPEARED OVER 2000 YEARS AGO!
LEAVING BEHIND ONLY THE GOD'S CHILD.
IN ORDER TO PASS THE PROMOTION EXAM, YOU MUST ACCEPT THIS FACT!

"A child that was not supposed to be born" was born in a small manger.
And, at the same time, a child that was fertilized not with a man's seed



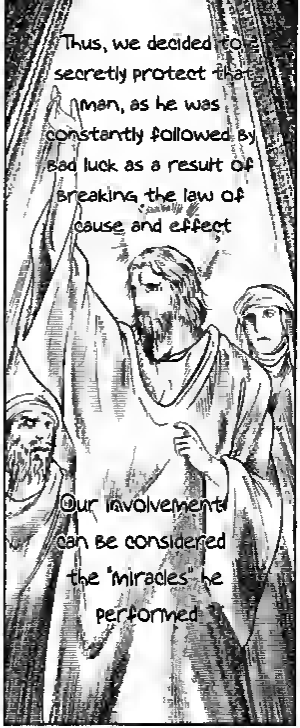
WE ANGELS DON'T KNOW THAT...
BUT WE DO BELIEVE THAT THESE HAPPENINGS ARE CONNECTED!
.....
WHY DID GOD DISAPPEAR? WHY WAS THAT CHILD BORN?

God suddenly disappeared from Heaven around 2000 years ago...

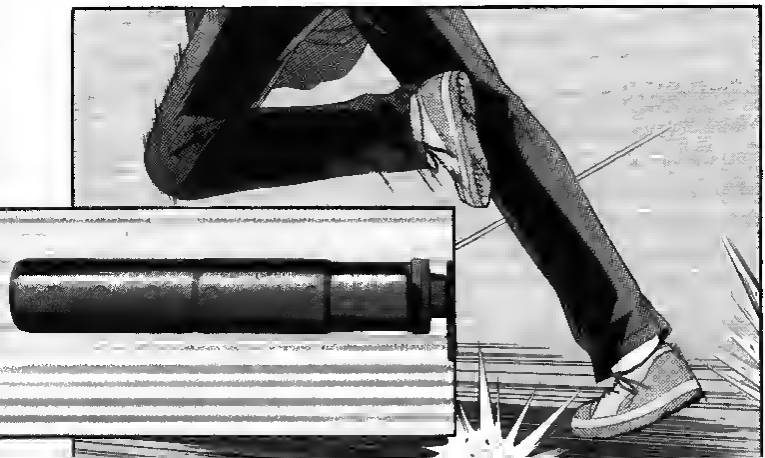


THIS GOD'S CHILD APPOINTED THE NEXT GOD'S CHILD BEFORE HE DIED...
BUT... WE STILL HAD NO IDEA WHAT HAD HAPPENED TO GOD
AND SO ON...

And many of them left Heaven.
After that, many angels started thinking that God had abandoned us...



Thus, we decided to secretly protect that man, as he was constantly followed by bad luck as a result of breaking the law of cause and effect
Our involvement can be considered the "miracles" he performed.



Some of the angels that left Heaven became demons and started feeding on human souls...
While the others pronounced themselves Gods and started feeding on the spiritual energy emitted by human fanatics.
